# VISHWAKARMA POLYMERS

Vishwakarma have pride on the knowledge, skills and expertise of our employees, who work together as a team delivering innovative products. We value the importance of customer relationships, and have accommodated approach that is flexible and respond according to the needs of our clients.

After successful retail and wholesale dealership of many brands in water tanks business and observing the market demand for new product range in market, **The Mistry Family Established Vishwakarma Polymers in 2014.** With committed to providing high quality products, wide range of sizes utmost respect to health & safety practices with environmental care system management respectively.

With 1000+ happy customers and retail partners, We're still striving to improve. We offer maximum sizes in loft water tanks. **We've also had the privilege of supplying tanks to government sectors such as railways, MCGM, etc. Our products are also approved by Municipal Corporation of Greater Mumbai (MCGM).**

The company believes in the principal that to be a leader in our industry, we need to build and nurture strong client relationship and should be ready to counter any challenge with respecting the core value of quality and assurance.

**Proud to be An ISO 9001-2015 Certified Company**

## **WHY US**
